

37 Children at Resplandor De Vida

Jesus, age 13

I like to be here very much because they take care of you, they give you food, in addition I can also study and they let you play, they give you gifts and they treat you very well. What I like the most about the shelter is that they give you school because it helps you in advance to go out and have a career, my goal is to be in high school, and to get to university. I would like to be a doctor to help sick people.

Ines, age 14

It's wonderful how the staff care about us who are here in the children's home. I like being here because I'm learning a lot of things like God's principles. I like all my classes that we have in the afternoons because in Values (Christian Values class) they help me memorize scriptures. I like drawing and reading the bible, so that I can compete in contests of bible knowledge.

**But Jesus said, Suffer little children and forbid them not, to come to me:
For of such is the kingdom of heaven. Matthew 19:14 KJV**

Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me.
