HOW TO SPONSOR A STUDENT IN OUR PROGRAM

Sponsoring a student is a personal and meaningful way you can help change the life of a poverty stricken child with little or no hope for his or her future.

We strongly believe that next to knowing Jesus as their Lord and Savior, an education is the most important element in freeing these children from a life of pain and poverty. Many of the Mexican children we send to school would not be able to go if it were not for the support of this program by givers such as you. By sponsoring a child, you will receive a photo of your student with his or her information. Through prayer, we ask God to show us the children needing this sponsorship. We, your missionaries, will have personal contact with your student. Sponsorship includes tuition, school & sports uniforms, shoes, sneakers, backpack, school supplies, books, some bus fare, underwear and personal care items. Each sponsor may renew his sponsorship annually. You are welcome to write to your student.

I would like to sponsor a child to attend school. Please choose full sponsorship or shared sponsorship of a student:
